Budget Statistics (January 2011 - September 2011)			
	2011 Total Incentive Budget	2011 Incentive Budget Remaining	2011 Incentive Budget Available**
Residential	\$ 1,223,455	\$ (102,320)	\$0
Non-Residential	\$ 520,124	\$ 423,473	\$0
Total	\$ 1,743,579	\$ 321,153	\$0

**SunWatts renewable energy rebate funds are temporarily exhausted.

Trico is accepting rebate applications. All confirmed and approved applications are being placed on a rebate reservation list. When funding for the program becomes available, rebates will be paid according to one's position on the reservation list AND a completed inspection. Applicants must complete their inspection within six months of their application date to maintain their reservation.
