Permits and Inspections from the Authority Having Jurisdiction (AHJ)

Mobile/Mfg. Homes require inspections from the County & State. (State Insp. currently only required in Pima Co. & City of Tucson)
Single Family Residences or Domestic Wells require inspections from the County/Town only.

*You are responsible for contacting the local AHJ to determine the proper permits and inspections required. Permit exemptions must be proven by the applicant.

You may obtain a permit at one of the following agencies:

- PIMA COUNTY Central Permits, 201 N. Stone, 1st floor, Tucson, AZ 85701 (520) 724-9000
- PINAL COUNTY Building Safety, 31 N. Pinal St., Building F, PO BOX 1610, Florence, AZ 85132 (520) 866-6405
- TOWN OF MARANA Building Safety, 11555 W. Civic Center Dr., Marana, AZ 85653 (520) 382-2600
- TOWN OF SAHUARITA Building Safety, 375 W. Sahuarita Center Way, Sahuarita, AZ 85629 (520) 822-8866
- CITY OF TUCSON Development Services, 201 N. Stone, 1st floor (North Side), Tucson, AZ 85701 (520) 791-5550
- STATE OF ARIZONA Office of Manufactured Housing, 1110 W. Washington St., Ste.100, Phoenix AZ 85007 (602) 771-1000

The process of your application

Submit your application to a New Service Technician at least six weeks prior to needing electric via email to ConstructionApplications@Trico.coop, by mail, fax, or in person. Email or call (520) 744-2944 ext. 2731 for questions.

- A Trico Designer will contact you within 1-2 weeks after submitting the application to set up a site evaluation. During this time, you will need to mark your meter location, property corners, and contact Blue Stake (Arizona 811).
- A Trico Designer will direct the route of electrical service to your meter location. A cost will be evaluated after the design has been completed.
- Customer is responsible for digging, backfilling and installation of conduit system for all trenches. To have your trench and conduit system inspected prior to backfilling or if you have questions about Trico's service requirements such as: the meter pedestal, meter panel, trench, or conduit specifications, call (520) 744-2944 ext. 1383 to coordinate with a Trico Inspector.
- Call the local Authority Having Jurisdiction (AHJ) for your electrical permit inspections. (Excluding new meter pole installations, our construction does not have to be completed before you call for your inspections.)
- To schedule a construction date, verify that your electrical permit inspections have been received, or to let us know your trenches are backfilled, call Trico's Construction Schedulers at (520) 744-2944 ext. 1355 or 1383. **TRICO MUST RECEIVE AN EMAIL, CALL, OR FAX FROM THE AHJ VERIFYING THAT YOU HAVE PASSED THEIR INSPECTION(S).**
- Trico must have your Billing Deposit or Letter of Credit prior to connection of service.
- Once we have received the clearances from the AHJ, deposit or Letter of Credit, and your trenches are covered, your service should be connected within 24-48 hours, excluding weekends, holidays and pending emergencies.

Agreement to accept service

I have read and understand the requirements and my responsibilities regarding the type of service I am applying for, I also understand that I must meet those requirements before Trico can extend electric service to me.

By becoming a member of Trico, you are agreeing to follow the policies, rules and schedules of Trico Electric Cooperative, Inc. A copy of the Rules, Regulations & Line Extension Policies approved by the Arizona Corporation Commission (ACC), 402 W. Congress, Tucson, AZ 85701, (520) 628-5555 is available on-line or upon request.

I hereby apply for electrical service at the above location. I understand that Trico will make service available upon completion of engineering details and duly executed contractual agreement between the parties. This application is valid for 60 days from the above date. I agree to accept service when construction is completed.

The design of your line extension will be based on the Rules, Regulations, and Line Extension Policies of Trico and must factor if existing facilities are capable and able of supplying your service requirement, plus responsibilities of the Cooperative and the Applicant, together with system plans of the Cooperative, to determine the most cost effective design, in the Cooperative's opinion.

These instructions may not cover all situations. Some situations might require special written agreements or studies.
